

Tampa Wolverines

Youth Football and Cheerleading

2023-2024 Sponsorship Form

The Tampa Wolverines Youth Football and Cheerleading Program is a 501(c)3 tax-exempt non-profit organization. Originally founded as the Tampa Hurricanes in 2010, our mission is to provide, regardless of race, color, or creed, the following opportunities to the youth of this community: to participate in controlled athletic competition; to instill the belief of fair play, good conduct and sportsmanship at all times; to teach the values of Integrity, Honor, Respect, Loyalty, Personal Courage, and Teamwork; to promote a common interest and tolerance among youth; and to keep the welfare of youth free from any adult compulsion for power or glory.

With our communities' assistance we will provide a haven for our inner city youth (ages 5-14) allowing them to learn the fundamentals of football and cheerleading, as well as teaching self-discipline, academic excellence, moral values, social skills and, most importantly, the art of giving back to the community.

We pride ourselves on offering registration at an affordable cost that has remained the same for more than 10 years because we believe every child should have the opportunity to participate regardless of financial means.

It is our vision to continue growing our program by providing more kids with a chance to enjoy the sports of football and cheer! The costs of running a youth sports organization are high and we look to sponsors to help us fund the programming and equipment needs for our program.

Your sponsorship dollars help to pay for some of these expenses including purchasing new practice equipment, uniforms, field maintenance, building repairs, etc. Here's where you can help!

Attached is a sponsorship form detailing the packages offered this year.
